Weekly tuition is due in advance by 6:00 p.m. on Monday to cover your child's tuition for that week. Monthly tuition is calculated per days in the month and is due on or before the 7th of the month. If tuition is paid late, a \$10.00 fee will be assessed upon your first violation. After the first violation the fee will rise to \$15.00.

If the child is picked up AFTER the 6:00 pm closing time, a late fee of \$1.00/minute per student will be charged. In order to establish if your child is picked up late, we will be using satellite time. Most cell phones are set to satellite time-double check to make sure yours is.

Your child earns a certain number of vacation days a year based on how many days a week they are enrolled. Please see the policies and procedures to find out more. You must notify us two weeks in advance of any vacation time you will be using. Each family is allotted 4 sick days per child per year. You will not be charged for these days; however, once the 4 days are consumed, you will be charged for sick days. Sick days do not carry over into the next year.

Full day tuition rates include a healthy and complete lunch and two snacks.
